Follow these instructions!

1. Search for and download the ePlatform app from your app store.

2. Find 'Trinity College Gawler.'
   Log in, using your **school username and password.**

3. Browse and borrow an eBook to read on your own device.

INFORMATION

The Loan Time is 28 days - after that the book will "drop off" your device.

When you have completed the book, please return it straight away.
Click "return".

When browsing in the collection, and if the photo of the book is " pale in colour,"
it means that someone has borrowed it.
Click on the book cover and you will be able to "reserve" it.

The e-Platform books for the Trinity College Gawler Collection (Roma Waite,
Gawler River and Blakeview Libraries) have
 been chosen by our Librarians - and the three Libraries pay the subscription for
all to use.
No payment is required by students or parents when downloading a book to your
device.

Some books may be classified as "YEAR 7 and UP" or "SENIOR" (year 9 and up)
 Play with this app as you would any other and discover how easy it is to use!

At the moment the collection is mostly for Year 4 and up.
We will be adding books for younger children soon.
Parents and children will find this useful, especially in long holidays
when our school Libraries are closed.

The eBook Library is an addition to our current Library. We encourage the use of
both!
 We continue to purchase the latest books and resources for The Roma Waite,
Gawler River and Blakeview libraries.
Children will continue to have weekly Library lessons for borrowing!
